## UPON THE SQUARE

Torry Thompson, WM

Hello Brethren, hopefully everyone enjoyed their summer vacation and down time with their families the last couple of months.

I would like to thank all the brothers that volunteered to work while we were dark and helped with the EA degree for Brother Zachary Ponce. It was great to welcome another brother to the lodge. Congratulations to our newest Master Mason Brother Ron LaBleu on completing his Master Mason proficiency. Another big thank you, to Past Masters Randy Subia and John Freeman for joining me for breakfast with two prospective members last month in an effort to continue to grow the lodge. And lastly I would like to thank Reno Lodge #13 for inviting us to their summer bar-be-que. It was an outstanding turn out and great fellowship.

I'm looking forward to seeing everyone for dinner at 6:30 p.m. for our next stated communication on Wednesday, September 7th, 2022. Time to dust off those working tools and get back to work.

### Why giving back is so important

Why is it so important to find a cause you love and volunteer your time? Spending time enriching your community is a great way to broaden your perceptions of the world. By immersing yourself in a community and surrounding yourself with people who are dedicated to bettering the world, you can learn so much about how the world works. You gain a unique sense of purpose by serving those around you, one which often manifests in other areas of your life.

Of course, it's also important for your community! Without volunteers, many of the services and events we enjoy in our communities would not be so readily available. Spending time helping out at local shelters or food banks provides an important service to less fortunate neighbors. Giving back to the place you call home helps to unite the community and bridge some of the social, economic and political gaps.

## ON THE LEVEL

Gregg Moore, SW

I hope this summer has treated you all very well. I look forward to seeing you all in September, breaking bread and enjoying all of your stories and company. As always, I like to send out a positive message every month that hopefully helps set you up everyday with something good to read.

Quote for the month...

**"Sometimes the 'smallest' changes can have the biggest influences on the quality of your life. The twin secrets are acknowledging your weakness, and challenging with new information."**

~ Carl R Rogers

## TREASURER'S DESK

### The good news:

ALL of the issues regarding our banking relationships have been resolved. Your money is safe and secure and where it can be tracked and accessed.

Bills for the summer have all been paid.

There are enough funds in our budget to pay our bills for the rest of the year.

### The bad news:

There are four (4) brothers who have not paid their 2022 dues and will be recommended for suspension NPD at the Sept. meeting. Several attempts have been made to contact them, but none have proven successful. The Lodge has assisted those brothers who needed help paying their dues and communicated the need to us.

### For what it's worth:

Mt. Rose F & AM has 77 members and I've only met about 20. If you can make it to a meeting, I'd really like to meet YOU! So would the rest of the Brothers. We have some great things ahead of us: golf tournament, more Project 150 help, scholarships, a social, and elections.

Come to a meeting and share your ideas and support your lodge!
